Jersey Girls
FARMED AND DANGEROUS
A Musical Comedy
By Lynelle Kuriger

This hilarious show runs from 26th November through to 8th December and the usual delicious buffet will be supplied by Joyful Catering! Director, Glenn Rowsell, has got together a great cast to bring the lives of a herd of Jersey Cows (with a few bulls thrown in when needed of course!) to our stage. The Show is looking great and there has already been much laughter during the rehearsal period from both staff and crew! You definitely don't want to miss this so book online at www.matamatamusicaltheatre.co.nz or visit our facebook page.

A little birdie told me- that a certain three old cleaning ladies and 5 good looking Spicey girls, all well known to our Theatre, were seen strutting their stuff on stage in a Te Aroha Lip Sync competition recently! Great that our talent helped fundraise for the Te Aroha Playcentre and even greater that the old birds won! Well done to all of you!!

If you are looking for an outlet for your creativity or just somewhere to have a fun time with a group all working together to bring great entertainment to the community – come and join us! Great opportunities to learn about stage lighting, sound, set building and much more.

Whether you sew, paint or just make a good cup of coffee – you will be welcome!

For all those Christmas parties coming up in the silly season...
